Description:

Rare map of Northern Mexico, from Rogers & Johnston's rare *Atlas of the United States*.

The map is part of a wall map of the United States & Mexico, published by Rogers & Johnston. Conceived as a collaborative effort between W & AK Johnston (of London) and H.D. Rogers (of Boston), the project began with a wonderful wall map of the United States in 1856, which Rumsey describes as one of the most beautiful maps of the period.
