### Description:

Detailed map of Indiana, published by J. H. Colton in New York. This fine original antique map shows the state colored according to counties and includes a host of information regarding the layout of the state in the mid-18th century.

The map shows towns, townships, roads, railroads, canals, post offices, rivers, lakes, and other relevant features. Information extends into Ohio, Michigan, and Illinois.

This map originally appeared in the first edition of J. H. Colton's *New General Atlas*. Colton was one of the pre-eminent American map publishers in the mid-19th century.
