**Stock#:** 103973  
**Map Maker:** Bell  
**Date:** 1706  
**Place:** London  
**Color:** Uncolored  
**Condition:** VG  
**Size:** 18.9 x 15.5 inches (each sheet)  
**Price:** \$ 675.00

### Description:

Rare pair of historical broadsheets, published in London in 1706 for popular use.

The top sheet has been augmented by an early owners to show a summary of the statistics in the table.

Includes interesting historical notes in an early hand on the verso, examining British history in the middle ages.

**[ English Historical Broadsheets ] A Table of All The Counties of England and Wales, To  
Which is added, A Chronology of the Kings of England (with) A Brief History of  
England, since the Time of Julius Caesar.**

The image notes that it was "Printed by J. Humfreys, for Andrew Bell at the Cross Keys and Bible in Cornhill; and Ralph Smith at the Bible under the Piazza of the Royal Exchange."

**Rarity**

These broadsheets are extremely rare.

We were unable to locate any examples of the top sheet.

The bottom sheet is listed by Henry G. Bohn, in *The Bibliographer's Manual of English Literature*, Volume 1, p.742 (2022).

OCLC locates only the example in the British Library.
