Description:

Highly detailed regional map, showing the mouth of the MacKenzie River and extending south to Petite Riviere and 1st Rapide. One of the earliest maps to focus on the region on such a large scale. The best large format map of the region during this period. From Vandermaelen's remarkable 6 volume atlas, which if combined as globe gores forms an immense globe. Vandermaelen accomplished the first atlas mapping of the world on a uniform scale.
