A new & Correct Sea Chart of the Whole World Shewing the Variations of y Compass as they were found Ano 1700 with a View of the Generall and Coasting Trade Winds by the Direction of Capt. Edm. Halley (California as an Island)

Stock#: 28984
Map Maker: Harris
Date: 1710 circa
Place: London
Color: Uncolored
Condition: VG
Size: 18 x 8 inches
Price: SOLD

Description:

Rare reduced version of Edmund Halley's map of the world showing magnetic compass variations, based upon a larger map by Halley, also engraved by Harris.\

In the bottom left, there is a promotional note for the larger map, then being sold by Mount & Page. Includes inset maps of the Polar Regions and a fine detailed look at the coastal regions of the world, including a highly distorted Australia and incomplete coastline of New Zealand.

Detailed Condition:

Trimmed to neat line at lower margin. Some soiling. Minor abrasion to the east of Australia, with loss of neat line and gradient at lower left and right
