### Description:

Fine example of DeBelleforest's rare map of France, from his *Cosmographie Universelle De Tout le Monde*.

The map is based upon Ortelius' first modern map of the German Empire, issued in 1570, and includes the same decorative cartouche, ship at sea and coat of arms. However this example is far rarer than Ortelius map.

A fine dark impression.

### Detailed Condition:

Four small worm holes in the left upper/middle side
