Description:

Fascinating map of Florida, the Gulf Coast & Caribbean, showing Barroto's influence along the Gulf Coast.

Southern Florida is an Archipelago, with the St. Johns' River having northern and southern outlets to the sea. Nice Bahamas detail. Excellent detail throughout the gulf coast and in the Yucatan and Central America.

The treatment of the Caribbean is also up to date and quite attractive.

Decorative cartouche and rhumblines. Includes soundings, reefs, sand bars and many minor islands.

Detailed Condition:

Discoloration at centerfold.
