Description:

Detailed map of northern Khazakistan and southern Russi, from a French edition of Peter Simon Pallas' *Voyages du Professeur Pallas, dans Plusieurs Provinces de l'Empire de Russie et dans l'Asie Septentrionale*, engraved by Tardieu.

The map tracks the course of the Alei River in the Zmeinogorsky District, Altai Krai, Russia and the Irtysh River in Khazakistan.

Pallas, of German origin, was a member of the Russian Academy of Sciences and on request of the Russian government explored the lesser-known provinces of the Russian Empire.

His travel books opened up Russia to the West and served as a model for 18th-century travel literature.
