**Date:** 1816  
**Place:** Edinburgh  
**Color:** Hand Colored  
**Condition:** VG  
**Size:** 21 x 18 inches  
**Price:** SOLD

**Description:**

Interesting and highly detailed map of the Northern Hemisphere, published by John Thomson.

Includes an unusual orientation such that all of Asia, Europe, Africa and North America are shown.

Includes the tracks from Cook's voyages, along with dates and direction of his course. A very attractive and interesting map, illustrating the still incomplete knowledge of the polar regions and the northwest passage.

One of the best large format English maps of the period.

**Detailed Condition:**

Small light stain at upper left corner.
