Description:

Part of Blaeu's Wall map of Germany -- Re-Purposed For A Special Atlas

Rare map of the regions drained by the Rhine and Moselle Rivers, including most of Northern Europe.

This map was issued in the 1634 German edition of Blaeu's *Atlas Novus*. The map consists of a fragment of Blaeu's wall map of Germany, with a title cartouche engraved especially for the map and pasted down in the upper right corner.

The map appeared in only one edition of Blaeu's Atlas and is very rare on the market. This is only our
