Description:

Rare map of California, published by the California Club.

The map identifies the existing University of California Campuses and labels a number of regional places where off campus educational and research programs were being conducted.

- Berkeley
- San Francisco
- Los Angeles
- Riverside (Citrus Experimental Station)
- La Jolla (Scripps Institute)
- Mt. Hamilton (Lick Observatory)
- Davis (Agricultural Institute)

The map is scarce on the market -- this is our first ever example.
