Southern Hemisphere

Stock#: 51371
Map Maker: Thomson
Date: 1815
Place: Edinburgh
Color: Hand Colored
Condition: VG
Size: 21 x 18 inches
Price: SOLD

Description:

Interesting and highly detailed map of the Southern Hemisphere extending to the equator. The regions shown include substantial detail, including attention to topographic details in the mountain regions. A very attractive and interesting map, illustrating the total lack of knowledge of Antarctica. One of the best large format English maps of the period. Nice wide margined example.

Detailed Condition:

Offsetting.
