Description:

Very rare Nicolas Berrey map of Austria.

While at first glance, the map appears very similar to the Henricus Hondius map and the Guillaume Blaeu map of Austria of the same title, these are 3 entirely different copper plates. The most obvious difference is in the embellishment above the title cartouche, but there are many other obvious differences.

Hondius: {{ inventory_detail_link('36397') }}

Blaeu: {{ inventory_detail_link('15023') }}

The map is centered on the Danube River, from the Bavarian border to Pressburg, centered on Wien (Vienna).

Includes decorative cartouche, 2 other large cartouches with coat of arms, and 7 coats of arms in the body of the map.
