### Description:

Striking map of Africa, hand-colored by regions.

Shows a massive unexplored region south of the mythical Mountains of Kong and the Mountains of the Moon. Various trade routes are shown in the interior of Africa, through its various Kingdoms. Much of the south is labeled "Unknown parts". Nice detail in South Africa and along the West Coast, in the Ivory and Slave Coast regions.

An excellent large format map from Cary's *Universal Atlas*.

### Detailed Condition:

Original hand-color.
