Description:

Highly detailed charts of Hawaii and part of Oahu, published by the British Admiralty in 1929.

At the left, the fine detailed chart of Honolulu provides a meticulous account of the streets and buildings in the downtown area, extending to the Kewalo Basin and Warehouse on Ward Street to Quarantine Island (east of the current Honolulu Airport) and Iwilei.

The many piers, wharves and warehouses along the water are clearly set out.

The map of Southern Oahu provides excellent topographical detail, along with towns, roads, soundings and of course nautical information.
