Description:

Detailed map of a portion of West Africa, including Senegal, Gambia, Niger and neighboring regions.

This nice large format map includes an inset of the Cap Verde Islands, now a part of Portugal. The map follows the coastline all the way from southern Mauritania down to central Gabon. The chain of volcanic islands extending southwest from Cameroon can be found.

Substantial information regarding the physical geography of the region is provided, and some attempts at hypothesized geopolitical boundaries are shown.

Detailed Condition:

Rust spot in upper right hand corner.
