#### Description:

A marvelous transitional map showing the changing Territorial Boundaries in the Western United States.

Washington wraps Oregon. Nebraska runs to the Rocky Mountains and Arizona is below New Mexico. Nevada is a tiny sliver, before the US Government decided to reduce the territory controlled by the Mormons. Alaska is Russian Possession.

Nevada is shown, but with the bottom corner still a part of New Mexico Territory.

The map shows a number of important overland routes, including the Pony Express and U.S. Mail Route to San Diego. Also filled with Indian place names. British America is colored by Provinces.
