Rare late edition of T.G. Bradford's map of Virginia (including what is today Virginia and West Virginia), published in 1846.

The map is hand colored by counties and shows very early railroads, towns, rivers, forts, post offices, and other details.

Bradford's atlas was a departure from other atlases of the period. Along with H.S. Tanner, Bradford produced an elegant, well-engraved, large format atlas on high-quality paper.

The map was engraved by G.W. Boynton.
