***We will win because we are the strongest***

Scarce World War II French propaganda poster, emblazoned with the rallying cry of French Prime Minister, Paul Reynaud encouraging strength against Axis forces.

Intended to encourage the purchase of French war bonds, the poster is emblazoned in French across the top of the map. The image depicts the relatively small size of the Germany and the countries which it had invaded, relative to the size and might of the rest of the world, Italy and Japan would join the Axis shortly after the map's publication.

**Rarity**

The map is scarce on the market. This is the first example we have offered for sale.
