North America (Republic of Texas)

Stock#: 0097dd
Map Maker: Seutter
Date: 1840 circa
Place: London
Color: Hand Colored
Condition:
Size:
Price: SOLD

Description:

Scarce map of North America, published by John Betts in London.

The map shows an independent Texas, Alaska as Russian America, and a fascinating treatment of the Transmississippi West.

Perhaps most interesting is the Anglo-Centric treatment of the Northwest, with the boundary of the future British Columbia extending south to the Columbia River.
