Description:

Decorative and highly detailed map of the region, including parts of the Szechwan and Hunan Provinces. Shows the City of Chungking along the Yangtze River. Many decorative embellishments, including title cartouche and elaborate coat of arms. Coronelli's map of the region is one of the most decorative and sought after of all maps of this region. Nice example with wide margins. Coronelli was possibly the best Italian mapmaker of his time. He made globes, including one 5 meters in diameter for Louis XIV. From Coronelli's rare Atlante Veneto, one of the most decorative and ornate of all 17th Century Atlases. The map exhibits the fine engraving style of this coveted Venetian Atlas.
