[Shows Republic of Texas] United States and Texas

Stock#: 101139
Map Maker: Johnston
Date: 1845 circa
Place: Edinburgh
Color: Hand Colored
Condition: VG+
Size: 24.5 x 19.5 inches
Price: \$ 1,600.00

Description:

Large Republic of Texas!

A large and detailed map of the United States, featuring the Republic of Texas in a large configuration with an oddly shaped stovepipe.

A note reflects the independence of Texas and the date of its recognition by Great Britain. Oversized Iowa extends to the Canadian Border. The map includes remarkable detail in Texas, including roads, rivers, towns, forts, mountains and other important details.

Massive early Iowa Territory shown, pre-dating the formation of Minnesota Territory. From the scarce Lithographic Edition of Johnston's Atlas.

Features an inset sketch of the Niagara River in the upper lefthand corner.
