General Land Survey Office in Stockholm. At the bottom left, the map is certified as a correct copy by Jonas Brodin on November 29, 1791.

The map assesses the size of approximately 48 numbered parcels identified on the map, with #49 apparently annulled. A second group is identified as A through T.

Samuel Christopheri Frigelius (1652 - 1726) was the son of a farmer in Sund. He was appointed surveyor in Kopparberg County in 1687 and in Kalmar county in 1689.

The map title translates as:

Geometrical Map of Glasholmen in Kalmar County, Southern Möre District, and Halltorp Parish, composed by Land Surveyor Samuel Frigelius Anno 1797 -- Copied at the Royal Land Survey Office. Anno 1791."
