**Stock#:** 102802  
**Map Maker:** Anonymous  
**Date:** 1928  
**Place:** n.p.  
**Color:** Color  
**Condition:** VG  
**Size:** 32 x 8 inches  
**Price:** \$ 475.00

### Description:

#### *Bird's Eye View of the Route of the Niagara Gorge Railroad Company*

This panoramic depiction details the Niagara Gorge Railroad Company's route, beginning at the village of Queenston, Ontario and extending to the notable Table Rock and Scenic Tunnel. Viewers observe the scene from the Canadian side, providing a straightforward look across the gorge, covering the range from the falls to Lewiston and Queenston.

The map is both functional and informative, with clear illustrations marking places of historical interest. These points provide a basic guide for those familiar with the region or newcomers eager to learn about its history.

### Detailed Condition:

Color folding map printed on both sides. Some very minor signs of wear. Two small tears at top and bottom of centerfold.
