Description:

Finely colored example of Hartmann Schedel's incunable view of Constantinople from Schedel's *Liber Chronicum*, perhaps the single most influential secular illustrated book of the 15th Century and one of the landmark printed works of the 15th Century.

Schedel's view of Constantinople is one of the earliest obtainable views of the City and realistically the only large format 15th Century illustration available to collectors.

Detailed Condition:

Minor soiling and a bit of damaged at the centerfold.
