Description:

Updated edition of Guillaume Delisle's map of the Iberian Peninsula, engraved by Berey, with decorative cartouche by Simoneau.

The map illustrates the Iberian Peninsula in the middle of the 18th Century and bears the imprint of Philippe Buache, the heir to Guillaume Delisle's map publishing business, who by the 1740s had become one of France's most important mapmakers and geographers.

The Iberian Peninsula is divided into three major regions, The States of Portugal, States of Castille and Sates of Aragon, which are shown as including Catalunya and the Balearic Islands.
