Description:

True first edition of Mitchell's plan of the City of New York. Detailed map of Manhattan, and parts of Brooklyn, Greenpoint, Williamsburg, Hobken and Jersey City, showing multiple ferry lines, streeks, public buildings etc. A striking example, with an unusually dark impression of the decorative floral border and rich wash color. SA Mitchell Jr. acquired his father's former business from D0eSilver in 1860 and relaunched a very successful atlas publishing business which survived another 20+ years, before licensing and selling off much of his inventory and rights.
