**Date:** 1801  
**Place:** Philadelphia  
**Color:** Uncolored  
**Condition:** VG  
**Size:** 7.5 x 6 inches  
**Price:** SOLD

### Description:

First edition, second state of Carey's map of Virginia, from Carey Pocket Atlas. The boundary with Kentucky is pushed far to the west of its true location. Tennessee still does not appear. On this edition, there are a number of updates. The outline of the District of Columbia is shown. The important roads in the region are added and about 5 new place names are included. A bit toned, but still a nice example of this early American imprint. Wheat & Brun 576.
