Description:

Detailed map of the most of Lucon Island, Mindoro, Masbate, etc. Centered on Manilla. Nice detail, especially for the period. A number of wormholes near the centerfold, but no significant loss to the the printed image of the map. A good example of this early and highly detailed regional map. From Vandermaelen's remarkable 6 volume atlas, which if combined as globe gores forms an immense globe. Vandermaelen accomplished the first atlas mapping of the world on a uniform scale.
