### Description:

Highly detailed map of a portion of the Carolines, including Iles Guliay and Iles Egoy. Large text note included. Nice detail, especially for the period. A few minor wormholes, but no loss of image to the map. A good example of this early and highly detailed regional map. From Vandermaelen's remarkable 6 volume atlas, which if combined as globe gores forms an immense globe. Vandermaelen accomplished the first atlas mapping of the world on a uniform scale.
