Description:

Good example of Seutter's map of America, with two spectacular rtouches. A highly detailed and richly engraved map. Seutter's maps are among the most The map is packed with geographic detail, real and apocryphal. The Great Lakes are very unusually shaped. A number of mythical western places are shown. South America is much too wide. The Mississippi is considerably west of its proper course. Many other interesting features. Dark impression. Trimmed into neat line, top and bottom. Minor soiling and short split at centerfold, but still a nice example. Normally a \$2500 map. McLaughlin 211.
