**Description:**

Rare chart of part of the Bahamas and the northern coastline of Cuba, published by order of the Contr-Amiral Decres Minstre de la Marine et des Colonies. Highly detailed chart, with hundreds of soundings, sailing directions, tidal information and a host of other details. Some light dampstaining and a few worm holes, but generally a nice example of this rare map, which as not appeared in a dealer catalogue in the past 25 years.
