### Description:

Rare Italian map of Grand Tartary, extending from the Caspian to Japan and the Pacific and from Tibet to the Arctic.

The Great Wall is shown, along with the Gobi Desert, Tibet, Korea and an elongated peninsula, curiously shaped Japan and nice detailed features. Cantelli introduced this bold engraving style that was followed and further developed by Coronelli. The title carries a dedication to Jean-Baptiste Tavernier and Jean de Thevenot.

Striking example.
