Description:

Rare Price-Senex map of Africa, dedicated to Owen Brigstocke

This rare two sheet map provides a highly detailed look at the coast and interior of Africa, at a time when it was still very much the Dark Continent. Includes a host of annotations, including apocryphal notes regarding local peoples, animals, indigenous gems, mines, etc.. Ornate cartouche shows native flora and fauna, in gorgeous full color.

Detailed Condition:

Minor repairs at centerfold and some minor soiling, but generally a good example.
