**Condition:** VG  
**Size:** 16 x 13.5 inches  
**Price:** SOLD

#### Description:

Highly detailed map of the three regions, with an inset map of the Auckland area. One of the most detailed maps of the region to appear in an Atlas. Extends Southwest to Denver and shows Larfamie, Cheyenne, Ft. Casper, etc. Stieler's maps are perhaps the most detailed atlas maps of the era, with stunning precision and attention to detail.

#### Detailed Condition:
