Description:

Rare early map of Pebble Beach, California, printed for at the time of the expansion of the Pebble Beach Golf Links to 18 holes. Extends west to Cypress Point Golf Links and Carmel By The Sea and Carmel Woods at the eastern edge of the map, centered on the Del Monte Lodge.

The map is extremely detailed, naming dozens of early land owners, and many place names. The Avaition & Polo Fields are noted, as are the riding school and stables, Pescadero Rancho, Midway Point Reserve, the Fishing Club and pier off Stillwater Cove, and at least 2 toll gates. This is the earliest map of Pebble Beach we have ever seen and the most detailed. Already many famous Californian names appear on lots on the two golf courses and along the water, although some of the lots still appear to be unsold.
