Condition: VG+
Size: 16 x 13 inches
Price: SOLD

Description:

A highly detailed map of the Region East of the Black Sea, extending East to the borders with India. The map is a study in long since lost countries, including the Southern Russian republics around the Aral Sea, Kazikstan and Uzbek. The map shows marvelous detail in these regions, which rarely receive treatment in atlas maps of this period. A key shows the various regions controlled by Iran and Turan.
