Rare late edition of Mitchell's Pocket map of Missouri and Arkansas, updated to include the newly formed Indian Territory and including a number of roads and details in Indian Territory and throughout the map which were not included in earlier editions.

The history of the map begins when it was first published in 1826 by Anthony Finley, under the title *Map of the State of Missouri and Territory of Arkansas Compiled from the Latest Authorities*. The map appeared in several editions, include 1826, 1831 (the first Mitchell edition) and 1836. While these earlier editions appear periodically on the market, this late edition with revised title and significant updates throughout, is quite rare, with no other appearances at auction or in dealer catalogues in the past 25 years. Includes original folder, in generally fine condition.
