**Description:**

Scarce and highly decorative regional map of the Northeastern United States, from the Chesapeake and Cape Hatteras to Boston and Cape Cod.

The map includes excellent detail, including a number of early roads, Indian details and early settlements in the region. Cassini was a map publisher in Rome in the late 18th and early 19th century. His important atlas *Nuovo Atlante Geografico Universale* included gores for a pair of 33cm globes.
