Description:

Striking sea chart showing the Western Mediterranean, Straits of Gibraltar and coast lines of Spain and North Africa.

The chart appeared in Dudley's *Arcano del Mare*, one of the rarest and most highly sought after sea atlases of the 17th Century. Dudley, an Englishman, produced this exquisite work while living in Florence. Dudley labored for decades before finally releasing the first edition of this work when he was 73 years old. A nice example, with a striking compass rose and characteristically fine engraving style.
