Description:

Detailed map illustrating Robert Covert's account of his travels to India, Afghanistan, Iran, Middle East, etc., in 1607 -1611.

The map extends from the Eastern Mediterranean to India, centered on the Arabian Peninsula and the Indian Ocean.

The map was intended to illustrate Vander Aa's Dutch language narrative of Covert's account of his having shipwrecked enroute to India, which resulted in a rather colorful set of stories describing the return of the crew via Lisbon.
