Description:

Rare late edition of Moll's map of the Northeast, which replaces the text block in the lower right with a simple ship vignetter.

The map includes a very early and important depiction of the post roads in America, as with the earliest editions of the map. The map appeared in Thomas Salmon's *A New Geographical and Historical Grammar ... With ... Maps ... And Other Copper-plates ... A New Edition, With Large Additions ...*, Edinburgh & Kilmarnock, 1767. This rare Edinburgh and Kilmarnock edition is the first to include this edition of the map.
