Description:

Old color example of the scarce first edition of De Wit's rare and important map of the region from the north coast of Australia, and Japan in the East to the Indian Ocean.

The map is noteworthy for its exceptional treatment of the discoveries of Abel Tasman during his two voyages in the region from 1642 to 1644, which resulted in the discovery of Tasmania (Antoni van Diemen's landt) among other highly important discoveries in the region. Fine old color example.

Detailed Condition:

Old Color. Minor discoloration at centerfold
