Description:

Gorgeous early plan of Riga, including coat of arms and sailing ships in the harbor.

The map shows the town plan and the Duina River, with several places identified by name.

Jansson's plan appeared in two different publications, Jansson's rare 6 volume town book, *Illustriorum Principumque Urbium Septentrionalium Europae Tabulae* and a second work, published by Leti. This edition appeared in Leti's work, as determined by the fact that it was folded to fit in a quarto sized book.

Detailed Condition:

Folded, as issued.
