Description:

Fair example of Carey & Lea's Map of North America, showing the Texas and Upper California as part of Mexico, but curiously ambiguous on the Northwestern Claims.

Nice detail in the Transmississippi West.

The map is surrounded by details on the country, its soil, climate, history, populations, city information, government and a host of other historical and political details. Carey & Lea's Atlas is highly prized not only for its cartographic information but the marvelous information about each of the states and territories which is included. The atlas was issued in 6 editions in English, French & German between 1822 and 1827.

Normally a \$500 map.

Detailed Condition:

Centerfold stain and several splits and some extra discoloration.
