#### Description:

Scarce map of Puerto Rico by Fielding Lucas Junior, which appeared in his General Atlas, as well as his *A New General Atlas of the West India Islands*.

Lucas's map is the first detailed commercial map of Porto Rico published in America. The map depicts the interior topographic details of the island, along with providing roughly 40 place names.

The map is quite scarce on the market, this being the first time we have offered the map for sale in 19 years (as of 2010).
