### Description:

Rare map of the early United States by Juan Lopez, the son of Tomas Lopez, one of Spain's great mapmakers of the 18th Century.

The map names the "Province of Vermont," "Main" and "Sagadhok," one of the very few maps to reference Sagadahok as a US State. The map pre-dates the formation Mississippi Territory and the Louisiana Purchase.

Nice detail throughout. Spanish language atlas maps from this period are very scarce.
