Interesting map of the Imperial German Empire, with a remarkably well engraved cartouche.

Extends east to include parts of Poland and Hungary and south the the Gulf of Venice. There appear to be at least 2 editions of the map with the same title cartouche, but subtle differences in the title. There also appears to be an edition with a different cartouche, which appears to pre-date this edition.

Detailed Condition:

A few spots in the image and a some soiling in the lower margin
