Price: SOLD

Description:

Decorative full color example of the 1760 Desnos edition of De Fer's map of Poland, Lithuania and the Ukraine.

The map is bounded by the Baltic, Moscovie, the Dniester and the Oder Rivers and extends to the Palatinat of Cracovia and Petit Tartaria on the Dniepr River. . Interesting detail throughout, including towns, wood, rivers, mountains, lakes, Duches and a host of to the details.

The coats of arms of Poland, Lithuania, Prussia, Curland and Russia are shown, along with a table of the Latitudes and Longitudes of the Principal cities in the region, Varsovie, Cracovie, Dantzick, Riga, Vienne, Stockholm, Vilna, Mitaw, Konigsberg, Leopold, Kaminiec, Bracklaw, Oczaskow, and Moscow.

The map was first issued by De Fer and engraved by Starckman in 1716. Several references note 2 states of the map, but we are aware of the 1716, 1760 and 1782 editions (the later also by Desnos). While the 1716 and 1782 editions have appeared at auction and in dealer catalogues in the past 20 years, this is the first example of the 1760 edition which we have seen offered for sale.
