Description:

A scarce and highly detailed Spanish Hydrographical chart, covering the region from Volusia County to about Long Key and including a large portion of the Island of Cuba and much of the Bahamas. The detail of the soundings, ports, harbors, keys, inlets, islands, reefs etc. is nothing short of remarkable. Ft. Jupiter, Ft. Lauderdale and Ft. Dallas are shown, as are Boca Ratones and Jessups Battleground in 1838. A wonderful large format map. Minor repairs along the fold, otherwise an excellent example.
